

CAPABILITIES STATEMENT

CAGE: 6WTD6 | UEI: DL21ZAP4BH63 | Est. 2013 | EDWOSB | WOSB | SDB | Maryland Certified Small Business (CSB)

About

Muse Technologies, Inc. was founded and is led by a former NASA CIO with decades of leadership across complex, highly regulated environments in both public and private sectors. Our team brings expert-level support in program operations, organizational development, and strategic execution—helping clients achieve mission-driven outcomes with care, agility, and unmatched insight. We are proud to be an EDWOSB, WOSB, and Maryland Certified Small Business (CSB).
